7. I will gather the Home Loan property list again, and upload then will do marketing again. Before that we are better to cover all renovations.

8. Hostel, mostly hostel finder is much more than the apartment, and condo. Our competitor still doesn't improve or add in their website. If we can so add the hostel in the category, it may get interest from the user.

9. Office, Commercial Place, this one we have already. So after the Home Loan, I will focus on gather 100 properties and boost the post.
